The "Voice of the I AM" is the mouth-piece through which the Ascended Masters' Instruction can reach the students quickly, that the most powerful work possible for America and the world may be done by the students to release the greatest Light in the shortest time.

It will also contain information as to where the Accredited Messengers, Mr. and Mrs. G. W. Ballard and son, Donald, are teaching the Ascended Masters' Instruction on the "I AM."

INFORMATION

The information given under the heading of "Young America" will be the Ascended Masters' help to the young people for their protection and illumination, as they are the builders of the new civilization and are the channels through which the Ascended Masters will give their Light for the use of the outer world in the Golden "I AM" Age.

This magazine is not an outlet for articles from the students, but is the outpouring of the help from the Ascended Masters and has no human concepts in it.

THE SINDELAR STUDIOS
2600 South Hoover Street       Los Angeles, California
HE lower figure represents the human or flesh body; the upper figure represents the Individualized Presence of God, which is the Electronic Body of the "Mighty I AM Presence." Between the flesh body and the Presence is the Higher Mental Body, a form just as tangible in its own Octave as your flesh body is here, but not illustrated on the Chart. It is your Discriminating Selective Intelligence. The Higher Mental Body knows the Perfection of the Presence and also the imperfection, the undesirable creation which the human has drawn about itself, but will not accept the imperfection into its world.

The Ray of Light, which goes from the Heart of the Presence, through the top of the head, anchoring within the heart of the flesh body, is the Life, the Light, the Substance, the Energy, the Intelligence and the Activity by which the physical body has Life and is enabled to move about. When your attention goes to the "Mighty I AM Presence," this Ray of Light and energy begins to intensify and expand, until the point of Light within every cell of the flesh body responds to it.
Then the process of throwing off of the denser qualities of the flesh body begins. As this intensifies, the Radiance forms a tube of Light about the flesh body. You can call the Presence into action to make it so invincible, so impenetrable that even a bullet cannot penetrate it. This becomes an “Invincible Wall of Light” enfolding you and no human thought, feeling or suggestion can penetrate it or disturb you in any way. This is one of the greatest needs of mankind to-day.

The Violet Flame flowing up, through and around the lower figure, represents the Violet Consuming Flame, which is released by your “Mighty I AM Presence,” when you call for Its Action to be passed through you and your world to consume all discordant creation past and present.

The use of the Violet Consuming Flame is imperative. It is the only means by which all undesirable accumulation can be forever dissolved, consumed and its cause and effect annihilated. Every one should call the Presence into action to pass the Violet Consuming Flame from the feet up, through the physical, emotional and mental bodies like a blow torch, dissolving and consuming forever every undesirable thing or condition, which the human has drawn about itself. This is the only means by which you can become free from the wheel of birth and rebirth, free from the hundreds and perhaps thousands of embodiments in which you have lived. Any one who thinks it is not necessary or imperative to use the Violet Consuming Flame will find his great mistake, too late. There is no human being on earth that is an exception to this Mighty Law. Every one in this world has felt discordant feelings, spoken negative words and thought, imperfect and discordant thoughts, which means just so much substance and energy qualified with discord, all vibrating within the body and around it in the individual’s aura.

Every one, who has ever accomplished the Ascension, Jesus included, had to use this Violet Consuming Flame to dissolve his own human creation, before the Substance of his flesh body could vibrate at a rate that would enable it to ascend. All must do this some day and it is the only way by which anyone can free himself and become Master everywhere he moves in the Universe.

When you sincerely and firmly give attention to your “Mighty I AM Presence,” your Ascension begins that moment. The practical part of this True Understanding is, that when you give your attention firmly to your Presence, the Ray of Light and Energy from your Presence begins to intensify and expand, causing the rapid expansion of the Light within every cell of your body, until the earth loses its attraction for the body. Then, as the attention continues to the Presence the finer part of the flesh body ascends and is absorbed into the Higher Mental Body. Thus, the transformation from the human into the Divine takes place, all sense and appearance of age leaves the face and body, the hair returns to its natural color and the clothing dissolves into the Garments of the Higher Octaves. Then the finer part of the flesh body is drawn into the Higher Mental Body, and It ascends into the Electronic Body of the “Mighty I AM Presence,” when the individual becomes the Ascended Being, which Jesus, Saint
Germain and hundreds of others are. This is the individuals' Eternal Body of Light that never changes. The Ascended Being can raise or lower the rate of vibration of his or her body and make it visible or invisible at will, in the human octave. This is how the Ascended Masters appear and disappear at will. There is nothing spiritualistic about this. It is just a Mighty Divine Law of Life in perfect action, heretofore not understood.

The Ascended Master is as far above a disembodied individual as Light is above darkness. The Ascended Master is the Conqueror over so-called death, while the one who has passed through death has failed to hold the Mastery or Control of its substance and energy. Therefore, he must return in another baby body, grow up and try again to attain his Victory, by keeping his physical body harmonious long enough for his Presence to release through it the full Power of Light and Love, and thus expand the Perfection of Itself, which is the Ascended Masters' Victory—the Ascension.

The Color Radiance around the Presence represents the accumulation of all the good from all the past lives of the individual. It is a Great Storehouse of Energy which the individual has earned. This Great Energy will be released into physical use, when enough attention has been given to the Presence.

Around the lower figure or flesh form is the accumulation of whatever irritable, destructive qualities the individual has generated through the centuries. The great Mercy of the "Mighty I AM Presence" is, that few are ever permitted to see the discordant accumulation. This is why it is imperative to call the Presence to use the Violet Consuming Flame each day, until this is completely dissolved and consumed.

At the left of the lower figure is Mt. Shasta, where some of the experiences of Unveiled Mysteries took place. At the right are the Teton Mountains where the Retreat—the Royal Teton is located. It is in this Retreat that the Great Assembly of the Ascended Masters meet twice each year, to render a Mighty Service of Light, Love and Perfection for the Freedom and Blessing of mankind and the earth.

• AFFIRMATIONS •

"Mighty I AM Presence"! charge me with the Fulness of the Ascended Masters' Divine Love! release all Its Qualities and Attributes of PERFECTION into dynamic action through me and my world at all times.

"Mighty I AM Presence"! charge me and my world with the Pure Electronic Substance from the UNFED FLAME in Its Cosmic Activity of the Ascended Masters' Consciousness eternally sustained.

"Mighty I AM Presence," Great Cosmic Beings, Great Host of Ascended Masters! stand guard over me and my world forever! prevent any irritation from ever acting again! charge me with such Almighty Ascended Master Self-Control, that only Ascended Master Perfection can ever register within me, my world and all to whom my thought is directed and keep it eternally sustained.
RECIous Children of the Light! After so many centuries, we meet again and it is with Greatest Joy, that I find great numbers of humanity who are accepting the Knowledge of the "I AM Presence" which Saint Germain has brought forth. It is so wonderful and so simplified, that they are having great Freedom and release.

As I have said in one of the former dictations, until I received this identical same Knowledge of the "I AM" which Saint Germain has brought forth, I did NOT know the example I was to leave mankind; but within forty-eight hours, I knew! and all was clear as I called My "I AM Presence" into action.

To-day, the greatest opportunity is before mankind, far greater than in the time of My Humble Efforts. Because of your transportation, your means of communication, thousands are being reached to-day where only dozens could be reached in My time.

Now then, Beloved Students of the Light, try to eliminate ALL doubts from your feelings, concerning the Reality of Myself or that it is Me speaking to you now. The Cosmic Law, if you understood, would not permit an Ascended Being to speak a falsehood. Therefore, if you cannot believe that it IS your Beloved Jesus, the Christ, that is speaking to you, then you are unfortunate.

We have been in this room every class since it began, just as tangible as you are, yet not having lowered the vibratory rate of Our bodies into
your physical visibility. Except through your feeling, you might have even wondered, if We were really here.

Now the time has arrived when this MUST be dispelled from the feeling of humanity. It is not a matter of your volition any longer, for the individuals who will not govern the human and bring it into self-control and obedience, will come into a condition where they are COMPELLED to give their attention to that Great Source of Life—the "Mighty I AM Presence."

Beginning to-day, the old world MUST CHANGE into the new. Inconceivable to the human, is the Assistance and Protection that has been given mankind in the past year alone; for it is one of the Greatest Miracles, so-called, performed on the face of the earth.

My precious ones, do you realize that never in history, even in the last three Golden Ages, has the release of this Knowledge of the "Mighty I AM Presence," as given by Saint Germain to-day, been released to the earth? Even in My day, only a part of this could be given. The statements that I gave were all that were permissible at that time—outside of the Retreats, which the world ignored. Can you imagine My Feeling to-day, Oh my beloved ones, when in the churches formed for My Reception, there has come such a lack of the FEELING of My Reality, that in many many instances, the doors remain closed to Me.

Mankind has become so enmeshed in its own human creations and concepts, that individuals will not allow the FEELING to become harmonized enough to enable them to receive the Truth and the Light. With Saint Germain and the Great Divine Director, I have gone to various points on the earth and We have observed the Inner Activity of the FEELING of the heart of the church wherever we were investigating. In the intellect, the people were voicing My words, but in the feeling they were rejecting Me.

The day has come when individuals, no matter in whatever avenue, MUST awaken and call to their Source of Life. If they will do that, this knowledge of the "I AM" WILL come to them, from some source or in some manner. Mankind can no longer go on with the concepts that individuals hold to-day—whether it be in the misinterpretation of scriptural activity, or whether it be in your scientific world or wherever it is. Human beings are coming to a point where everything will stand still, until they give recognition to the "I AM Presence"—which is the Source of every human being, that ever came into existence. There is no longer infinite time for mankind to choose. Every one who would be earnest or honest with himself knows, that he is receiving His Life, from some Source, which is Self-sustained; but it is only sustained to a certain period, for where so much inharmony has registered in the human form, that the Light will no longer sustain it and withdraws, the human form—the outer garment—no longer being of use, then the Life within it says: "I cannot waste any more time here." It then withdraws and builds another form.

If individuals will understand this and open their hearts, even to God as they have previously known It, now that the atmosphere is being charged through these Mighty Decrees, in the mental and feeling world of mankind with the understanding of the "I AM Presence," then
thousands upon THOUSANDS WILL become aware of an Individualized Source of their Being, which is Life, and they will be drawn through the books to an understanding of this True, Real Knowledge of the Source of Life.

I wish to digress just a moment and thank our beloved brother, Mr. Sindelar, for having fulfilled his promise to Me. When I said: that a Magazine should go forth, he took the responsibility. He has battled tremendous forces. He HAS won the Victory and, as We suggested, this Magazine—the “Voice of the I AM”—shall be “the most sought after Magazine in the world”; because of the Mighty Decrees that have gone forth and will continue to go forth for that Perfection. Why? Because it conveys the Truth of Life and the Acknowledgment of the Ascended Masters and the “Mighty I AM Presence,” which is the most vital thing to mankind on the face of the earth to-day.

May I offer another suggestion to the Messengers and to Mr. Sindelar? In the February Issue of the Magazine, will you be kind enough to put in the Chart the size of a full page in color? This good Messenger will write verbatim, his worded explanation of the Chart, that it may go forth to mankind in the clearness with which he explains it.

Do you not see, Oh Beloved Ones of the Light, that an Ascended Master Activity HAS the Wisdom and the Power to carry out the Ascended Masters’ own Decrees, when the call comes from mankind? As you have seen these things go forward to successful achievement and accomplishment, do you not see how and why IT IS more than a human activity, which makes it possible for these things to go forth successfully, in the face of all the viciousness of mankind?

I speak these Words into the mental and feeling world of mankind, as well as to you blessed ones here. Will you blessed visiting students carry these Words everywhere? They will go into the Magazine, but in the meantime carry these Words to the students everywhere. The pleading of Saint Germain and the Messengers for harmony in your feelings has become imperative. From to-day, it will be impossible for those to be associated with the Messengers who do not hold absolute harmony in their feelings. The Messengers have had infinite patience, Love and Kindness, but now in this Activity—it is not a matter of their wish—the Light DEMANDS that the heart center of this Work from to-day on, be held in absolute harmony. Whether it is in the staff or those immediately associated with the Activity. The Great Cosmic Light DEMANDS it, because the EXPANSION of the Work this year WILL BE TREMENDOUS.

We Love every one of the children of earth, but the power drawn will be so great, that if individuals in the heart center or near it requalify that with unkind, discordant feelings, then they will compel themselves to be inactive. The Beloved Saint Germain has plead with mankind so kindly and yet, many do not feel the need of obedience to the simple things that He has asked. Now, I tell you with all the Love of My heart, Oh precious children of the earth, your Freedom is here, if you will but give obedience to the simple Instructions which He has given—yet they are Majestic in their Action.

We have watched over the activity and the progress of the beloved students everywhere. It
has been a joyful, most joyful thing. These Beloved Messengers have stood in the midst of such a seething vortex, kindly—often drawing within the human form a vicious vortex and consuming it, enabling the other individuals to be saved from their own destruction. Yet without a word, the Messengers, going on and on. Now, the Law will not permit that longer. They must have the harmony in which to act. Therefore, dear ones, so must YOU maintain the harmony within your feelings, if you are to go forward to your Freedom and Ascension.

This Beloved Messenger has made it so simple and practical to you—the Reality of the Ascension—and I back up every word he has said. It is true. The Ascension, when understood, is as simple as any of your laws of the outer world. It is a Natural Process, which the Cosmic Law has now permitted to be given forth, in such detail that no one, who is really in earnest, can fail to comprehend. I say to those who are critical, from whatever cause, you are but unfortunate. You MUST reap that which you send out and there is no Law to prevent it.

To the channels of partial Truth who are criticizing these Beloved Messengers because they have brought forth This Instruction, or rather, this Knowledge of the Presence which every heart seeks, has been brought forth through them, I say: "Is it any wonder, students leave other avenues to seek the Source of Freedom? Should the Messengers be blamed because the student sees the Light, recognizes It and comes to It?"

How can humanity be so unkind, as to blame these Messengers who pour forth nothing but Love and kindness, calling the attention of all to their own "Mighty Presence" which beats their hearts and gives them Freedom. Other avenues which have not this Truth now must either accept It or disappear.

Every human being on the face of the earth seeks his own individualized God Presence—"The Mighty I AM." Individuals will NOT be satisfied, NEITHER CAN ANYTHING IN THE WORLD BIND THEM LONGER until they do have this Mighty Law and Truth and the Freedom which It brings. Regardless of these Messengers or anything of the kind, all of mankind ARE seeking It to-day.

The Great Cosmic Law demands, that mankind finds its Source, if it is to go on into Freedom. That is perfectly logical. The pity of it is, that the teachers of other avenues of Truth cannot see this. It is not a matter of the Messengers, but it IS a matter of every heart seeking its own "Mighty I AM Presence." When individuals touch It, the heart KNOWS and NOTHING else can hold them long afterwards.

This Activity and Understanding of the "Mighty I AM Presence" could not have come forth through any old channel, because It would be a constant interference with the preconceived idea contained in that channel. This is why, I asked early in the beginning of the Magazine, that all discard EVERYTHING they had studied and accept this Knowledge of the "I AM" which is their CERTAIN, DEFINITE and POSITIVE Freedom. If you feel that We do not know, then We are unable to assist you. You MUST choose, Oh beloved ones!
To-day in the beginning of this wondrous year, I have taken this opportunity to express My earnest Love, Feeling and Assistance to every sincere student of the Light, to all mankind of course, but I mean these especially who have come into the knowledge of their own individualized God Presence, the “Mighty I AM.” We are offering every Assistance at Our Command for your Victory, Therefore, if you can feel Our Reality, the Reality of My Words as I am speaking them to you, or flashing them before this Good Messenger, that you may have My True Feeling concerning this Knowledge, this should give you great encouragement and assistance.

Think of the blessed ministers throughout the orthodox world! Why can they not understand this Knowledge? They should preach It from their churches and fill those churches to over-flowing; but the human so often will not be governed. The pity is that such a condition exists! So to-day, I say to you, beloved ones, in the beginning of this year, you are fortunate—most fortunate indeed—that you have made this contact and feel so earnestly Its Reality. It is the ONLY Source of Freedom! Your “Mighty I AM Presence” is the ONLY Source of Sustaining Power — the only solution to the problems of the human throughout the world.

Beloved ones, don’t hesitate, when the opportunity offers, to pour forth your feeling of the Reality of this Knowledge. Do not intrude it; but wherever the opportunity offers, pour forth YOUR FEELING of this Reality.

It is a most pitiful thing, the way some of the students have criticized these Beloved Messen-
gers. Oh dear hearts, do not think we do not know your mind and feeling. Do not do it, I plead with you, for your own sake and Freedom. These Beloved Messengers have not made one single mistake from the beginning. Individuals had to be given an opportunity and, if they were not strong enough for it, the fault was with the individual and not the Messengers. Let this be so clear that no one may longer do that. They are wholly unconcerned about it, but you precious ones—any one who does that, will one day find the door closed.

I want to say to the whole world: “Every human being who rejects My Beloved Brother, Saint Germain, rejects Me, and don’t forget it.” My Beloved Brother, Saint Germain, is just as Real as I am and is an Ascended Being. He is completing the Work which I started two thousand years ago. May the whole world understand that and give obedience to it. The childishness of human minds and concepts that have drawn forth distorted ideas concerning Me, the world should no longer accept. Therefore, dear ones, the Ascended Masters, and there are thousands of Them, are just as Real as I am, and one day you will all find it out.

In the meantime, try to believe an Ascended Being, who could not and dare not utter a word of falsehood and Who is the Authority, until the day when you can prove it to yourself, as this good Messenger did after years of earnest sincere calling. Do you not see that he could not be so firm and certain, if he did not actually know? It is only the Reality that gives one strength—such power and firmness. Mankind should be willing to in-
vestigate and find out; but not enter in with a critical condemnatory attitude, for in such an attitude they will learn nothing. It is IMPOSSIBLE to learn anything in that attitude. Therefore, beloved ones, stand firm in, through and by your "Mighty I AM Presence," which is the Truth of the Ascended Masters, and your world will be flooded by the Perfection which They are and represent.

No great accomplishment ever occurred in the physical world, without the Assistance of the Ascended Masters. Let no human being deny that! Because they do not see, know and become aware in the outer consciousness of that Assistance, makes no difference to the Truth of It.

To-day, I offer this in Great Firmness, in the greatest Love that is in My Being to command, that this go forth not only to you precious ones here, but to all throughout the mental and feeling world of mankind; to reach all mankind and give them a feeling of the Reality of this Great Truth Saint Germain has brought forth, that it may spread to every human being on the face of the earth, through which their Freedom and Ascension be attained. I thank you.

Mr. Ballard:
We thank Thee Oh "Mighty I AM Presence, Great Host of Ascended Masters, Beloved Master Jesus, we thank Thee Oh, so greatly, and may our Love express to you our Great Gratitude. May these words lift every one of the beloved I AM Students throughout America and the world, unto the Height of Perfection and hold them there, until their full Dominion and Freedom is accomplished.

Mr. Ballard:
Love to the Ascended Masters and to the beloved Messengers.

I wish it were possible, possibly some day it will be, to suddenly flash visibly before you what it means from the Inner Standpoint for your beloved Messengers, whom you love so much, to have carried this Message forth. While to many it is unusual, so unusual, yet as they come to understand it, they find it perfectly natural, in fact the MOST natural thing in the world.

Mankind in the human activity is living the sub-normal Life really. We in the Ascended State are living just the Natural Life. That is why, We so earnestly in Our Humble Way endeavor to convey to you the FEELING of this Reality; for only as you enter into greater and greater Perfection, do you find how REALLY natural it is. Then, you look back upon the condition or experience, through which you have passed, and see how unnatural that was.

This is why, beloved ones, the Messengers constantly urge the need of harmony in the FEELINGS. I tell you, there is no one thing more needful in mankind to-day, owing to the great inharmony that is engendered by mankind everywhere through the FEELING. Your feeling is your Power-House. So will you not, Oh precious ones, watch? I do not mean only from the human, but call your Presence—your Higher Mental Body to stand guard over your speech and feeling. Please listen to this carefully, precious ones! Every critical discordant feeling, thought or spoken word that goes forth from you is another barrier placed before you, preventing your Freedom.

I want so much to have you understand this, because you alone are responsible; and if you al-

low the human appearance or any provocation of the outer world to irritate and disturb you, then you alone pay the penalty for it. I mean by that, it just deprives you of the IMMEDIATE Freedom, which is possibly just there, waiting recognition.

In watching over the Expansion of the Light within the students, which We try to do so carefully, We often see blessed, precious ones just SO near that Inner Freedom. Yet a flash of irritation and disturbance draws the curtain again. If it were possible for Us to feel agony, it would be at that moment. So, I want you to feel how important it is and why sometimes, I impel the Messengers so powerfully to keep this explanation before you; because you must keep beating down this wall of human interference, that prevents you quickly entering into Freedom, from these many human limitations.

Will you not do this, precious hearts? I am very grateful there are so many blessed ones here from the various points, to carry this forward with them. I know the human is so difficult to control, but the Presence WILL control the feeling and speech of the individual, if really called earnestly in action to do so—that is Its Province. Your Higher Mental Body is the Guard. Oh that you might know how powerful a Guard your Higher Mental Body is, in your call to the Presence! You will notice, that I rarely refer to the Higher Mental Body; because when you call to the Presence, the Law of your Being and Life is: that your Higher Mental Body takes up your call, sets it into action, and operates it. So naturally, We must use the word "effort" because it requires
an effort on your part, to hold your attention to
the Presence. Through that, you can allow the
Presence to do all these things for you so beautifully. Won't you please call your "Mighty I AM
Presence" to stand guard over your feeling and
speech?

I say frankly to you: that you will have no
trouble with your thought, if once the FEELING
is controlled; but you CANNOT control your
thought, if the feeling is left running rampant.
Now, let us once and for all take such command,
or call the Presence to take such command of your
FEELING that no longer, no matter what the
outer provocation is, will you allow discordant
feeling to assert itself, through any outer disturb-
ance or irritation of any kind.

I say this to you: Your Inner call which you
just made for Our tangible, visible Appearance,
has gone up with so great a Love! Oh dear ones,
can you realize how close that is? However, this
you MUST know, this you MUST understand:
when We come forth in the tangible visible Body
to you, lowering the rate of the vibration of Our
Bodies—making them visible and tangible to you
—a tremendous Electronic Force is released. One
day, but not yet, we shall explain to you why it
is so, when that powerful Electronic Force is re-
leased. Suppose I were to stand visible to you here,
the Cosmic Law that We have now entered into,
in Its Activity in the earth, does not permit Us
to draw within Us this Electronic Force and hold
it, as We have done previous to forty years ago.
We MUST release this—NOW; for it is the Law
of Our Being. To-day, if I stood visible before
you here, I would be COMPELLED to release this
Electronic Force which is within My Being. If

there were those in the room who were subject,
let us put it that way, to irritation and disturb-
ance, it would so charge them with its force, that
it would make it very difficult for them, for days
to come, to control the irritation. It would act
through the quality which they had predominant
in their feeling. Do you not see that?

Therefore, IT IS HARMONY WITHIN YOUR
FEELINGS that is required, not only for the Ex-
pansion of your own Light, but for Our Visible,
tangible Presence to you. We have endeavored in
almost every conceivable way to convey this to
the students. I want to say to the Appointed Mes-
sengers present, Beloved Ones, STAND GUARD
AS YOU NEVER DID IN YOUR LIVES BEFORE,
AND AT WHATEVER EFFORT UPON YOUR
PART HOLD LOVE AND HARMONY IN
YOUR FEELINGS. Do NOT allow anything to
make you feel critical toward anybody.

The receding—let us put it more plainly—
"the dying out" of the sinister activity of the
earth, is in its last throes. That is why every once
in awhile individuals feel a sudden powerful im-
 pact of some discordant thing. Now listen care-
fully to this, dear hearts: there is no thing dis-
cordant or destructive in all the Universe that
can reach you, except through your irritated,
discordant feelings.

I appreciate this opportunity of speaking to
you and the Appointed Messengers who are pre-
sent; because I tell you, that unless you hold AB-
SOLUTE HARMONY IN YOUR FEELINGS
YOU ARE IN GRAVEST DANGER. If the Mes-
sengers did not understand that, they could not
possibly have survived. Even We could not pro-
tect them, if they did not understand this! So I
say to the Appointed Messengers, even WE cannot protect you, if you do not maintain harmony in your feelings TOWARD EVERY ONE.

Do not allow appearances to affect you. I say this to ALL of you beloved students. Please carry this message everywhere: There is NOTHING in the outer world that warrants you becoming irritated. When you know this Law, precious ones, YOU MUST LIVE IT, because you have entered this Great Stream of Life and you alone are responsible. You do not have to accept these things. We have given you the Law, the Application—the Knowledge of the Presence—by which you CAN GOVERN ALL these things and it is imperative that you do so.

You do not see as We do, from the Inner standpoint, these forces which are playing upon you. You see, as the Messenger stated to you last night in class, the great powerfully generated discord of mankind throughout the centuries hovers here in the earth's atmosphere—just above the surface of the earth. Naturally, you and all mankind being its creator, you are COMPELLED to move in it. This is why you are urged so constantly, to call the Presence to draw Its Tube of Light about you, pass the Violet Consuming Flame of Divine Love through you and keep your atmosphere clear. You will find you have no difficulty in keeping your feelings harmonized, if you call the Presence to draw Its Tube of Light about you and pass the Violet Flame through you three times a day. You do not have to keep your attention on It constantly; but these things are imperative, and that is why I take this opportunity to PERSONALLY urge you again, because it is imperative at this
time. It does not matter what someone else does. IT cannot affect your world, if you remain harmonious. Will you please do that?

Please go forth from your breakfast this morning, with a powerfully amplified determination, to hold the Dominion of your "Mighty I AM Presence"—determined, that no longer shall ANY feeling of irritation ever again register within you. If you will call the PRESENCE to stand guard over you and prevent it, then irritation cannot act.

At this time, it is so imperative because of the human destructive creation, for that is all the sinister force is. Of course, there are those who have failed on the Path, whom We sometimes call black magicians. They have utilized the discordantly qualified energy, but the fault is all mankind's. If human beings did not generate the discord, it would not be there for use; but this is steadily and surely being withdrawn from the earth, because the powerhouse of this human destructive element has been withdrawn. It is only the remaining accumulation which is steadily being withdrawn. These Mighty Decrees for seizing and binding the entities have done SO MUCH for the earth already. How I Love and Bless those wonderous Groups of students who have so faithfully and earnestly issued those Mighty Decrees for seizing and binding the entities; not only releasing and freeing yourselves, but all mankind. I wish you might look for one moment into the invisible, so-called, and see the magnificent work which has been done, through the issuing of that one Decree alone.

Oh my precious ones, how great is My Love, Thanks and Gratitude to you all, the I AM stu-
idents throughout America and the world—for
We are now having them in almost every nation
—and for this earnest sincere loyalty to the Light,
your "Mighty I AM Presence."
Do not think that We ever feel unhappy or dis-
turbed because you do not always hold yourselves
in complete harmony. We went through all this
process which you have to go through. We know
EVERY step of it and that is why We gave you
the privilege and, urged you in fact, to use Our As-
cended Master Consciousness; because Our Con-
sciousness knows EVERY step of the way which
the consciousness you have already drawn about
you, does not yet know. Therefore, if you will
use Our Consciousness, consciously calling It into
action, it will ALWAYS respond. I wish I might
find some way to anchor that within your FEEL-
ING. Consciousness is EVERYWHERE and the
Ascended Master Consciousness is a wholly differ-
ent thing in an Octave of Its Own. It cannot mix
with the human consciousness. Do you not see; but
when you call It into action, the Law of that Con-
sciousness is: that when ANYONE calls It into
action It MUST respond. Just the same, as if you
suddenly projected your thought to Me — pro-
vided you have called to your Presence first—
then, I am COMPELLED to answer you with an
outpouring of that Radiance, on a Ray of Light
back to you.
You may not quite understand it, but to your
every thought, or shall I say — let us put it —
FEELING, We do come back to you. Every feel-
ing that goes out from you to one of Us, is a Thread
of Light, so to speak, and if it is loving and kindly,
it goes straight as an arrow to the One to whom it
is sent. Therefore, We respond. How? By a greater
intensified Action, upon that Thread of Light back
to you. When you feel the deep import of this, you
will have some of the most astonishing results that
it is possible yet for the human to imagine. I want
you to know this, dear hearts.
You cannot be free, precious ones, until all ir-
ritation is dismissed from your feeling and held
so. The danger of it at this time, and the reason
why I urge you so earnestly to call the Presence to
hold complete control of your feeling, is in the
final withdrawing of this destructive force from
the earth—I tell you, it is like a powerful serpent
lashing its tail; trying to strike here and there
like a dying force to hold its dominion, which it
can no longer do. So I use this opportunity to
prompt you, dear hearts. STAND GUARD OVER
YOUR FEELING!

Precious ones, no accident in the world, so-
called, can occur except there has been irritation
in your feelings and criticism. Do NOT allow it
to deprive you of your Freedom which is so close
at hand. I feel so close to you to-day and I am so
very near into visibility. Do not be discouraged
beloved ones, it may yet come about.

With all the Love of My Heart, I extend to you
the Blessings of the Great Host of Ascended Mas-
ters, the Mighty Legion of Light, the Great An-
gelic Host and the Great Cosmic Beings, Whose
Attention has been drawn to the earth, by this
tremendous and mighty call that has gone up. Oh,
it is so very tangible, dear ones. Do not let your
human feelings cause you to feel, because a thing
is yet invisible, that it is not tangible to you. All
these Rays of Light, that are invisible to the phy-
sical sight, are very tangible, very Real and very
powerful. So, if you will realize and feel the Truth
of that, you WILL draw yourself into Our great intensified Feeling of this wonderful Reality of things; which will enable you to out-picture it in your lives in a most wonderful manner.

You are not subject to these limitations any more in the Knowledge of your Presence. It only means the harmonizing of your feeling and the call to your Presence with calm serenity in your feelings. Do not call to your Presence when you are all fluttery, agitated and disturbed. Do not do that! Still yourself first and in great calm serenity, turn your face to the Presence and say: "Mighty I AM Presence"! take command of this mind, body and feeling! Sweep out of it every cause and effect, that tries to create irritation. You take command and hold Your Dominion in my feelings"! Then see how quickly all subsides and you feel such happiness within.

The Blessings of the Great Cosmic Light, of the Great Cosmic Beings, of the Mighty Legion of Light, the Great Host of Ascended Masters, rests upon you and all the I AM Students throughout America and the world! With Its Mighty Activity through the feelings, qualify each one as a Blazing Sun of Light, to go forward and spread this Radiance everywhere. With Our Love, We ask you to accept this Blessing and expand It everywhere you move, through the kindliness and Love of your Presence.

The Glory of your "Mighty I AM Presence" is at hand, to produce Its Harmony and Perfection in your world. How quickly ALL human anxiety and distress will settle, when once you feel this and really accept it. So with Our Love, We enfold you unto the fulness of your Freedom from limitations and your Ascension. We thank you.
and Joy to all.

We now decree: “Mighty I AM Presence” come forth in Thy Cosmic Activity of the Unfed Flame and charge every “I AM” Student’s voice with the Perfection and Joy of the Ascended Masters! Make us all sing like the Angels, that we may send up a Great Wave of Light and Love to help and bless all.
